...was not possible to attach files to postings.

On the other hand, Talkaway lets users **include** the **original message** or **portions** of it when **responding**, which we found helpful for providing context. The ability to **reply** to an individual discussion participant via **E-mail** from within Talkaway also cuts down on unnecessary public postings to **answer** individual questions.

For administrators, Talkaway provides extensive tools to control access to conferences. For instance...
